

# BREWING UP SOME STEAM LEGO CHALLENGE

## Materials

### You Will Need:

- assorted LEGO pieces
- LEGO Challenge Cards

## DIRECTIONS

- 1) Grab your LEGOs and start working on the LEGO Challenge Cards!
- 2) Feel free to add in LEGOs you may have at home, too!

## Take this further:

### **Parent Connection:**

Building with LEGOs is hands-on learning at its finest. When kids use their hands to learn and explore, they are more engaged and retain information better. These cards help with pattern recognition, spatial awareness, geometry, and creativity!
