

York Public Library 2022-2023 Strategic Map

Vision	We embrace the rich heritage and vibrant future of our community to be the best possible public library for York.		
Mission	York Public Library is guided by the past and focused on the future. Our mission is to provide free and equitable access in our commitment to connecting people, advancing learning, and promoting creativity.		
Strategic Objectives	Access to Knowledge	Community Engagement	Building/ Infrastructure
Key Initiatives	Note: these are the 3 Initiatives that rose to the top of Staff and Board feedback.		
Energy Efficiency	Model commitment to energy efficiency and transparency by displaying actual energy goals, actions, and progress.	Create website to provide central hub for town organizations working in this realm	Complete 25% of the action items from the energy audit
Evaluation of Building	Identify storage location and expand access to Library of Things	Differentiate library spaces and capabilities for greater programming opportunities	Hire a consultant to deliver a phased plan on the best spatial layout of library, starting with youth services floor
Technology Plan	Create an accessible digital presence for local resources	Provide monthly technology training opportunities for York residents	Improve public computing throughout building
Foundational Capabilities	Develop DEI Strategy	Create Community Engagement Committee	Build Capital-Financial Plan
Enacting our Vision	... promote democracy by ensuring freedom of access to information.	... serve our diverse population through outreach and inspired programming;	... provide a forum for people and ideas to connect;
