

Let's Play Mini-Golf at the Library!

I love going to the library! Here's a picture of my library, the York Public Library!

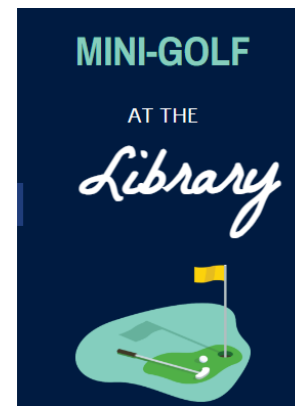

Normally, the inside of my library looks like this upstairs...

...and this downstairs!

Soon there is going to be a special event at my library.

The Librarians are going to put a mini-golf course INSIDE the Library just like they did last year!

I'm not sure yet how it's going to look, but it will be different and that's OK.

This is how my library looked last year for mini-golf! This is the hole for the Dog Park!

Here are 2 more from last year! Some of the holes this year may look similar or they may be different and that's OK!

Because we get to play mini-golf, some of the displays and activities that I normally get to do at the library may not be available and that's OK too!

Playing mini-golf with my family at the library will be so fun!

And the next time I come, mini-golf will be all done and my library will look like this again. I can't wait to play mini-golf at the library!
